A successful call is denoted by the letter **C**, the ability to receive a call is denoted by the letter **R**. If no call could be completed, a "**0**" was entered on the spreadsheet.

Attachment 17

2 Rand McNally road maps showing, in detail the roads of southern Sherman, that were covered by the above study.

Attachment 18

An email from Shawn Salvato of Aquarian Water Company indicating their current willingness to locate the emergency services, public works and Litchfield County Dispatch communications equipment on their water tank on Big Trail Extension in Timber Trails, Sherman, CT as they had initially agreed to do in 2018.

Attachment 19

An email from Terri Hahn to Ray Vergati of Homeland Towers, members of the Sherman Telecommunications Committee and members of the Sherman Board of Selectmen, Don Lowe and Robert Ostrosky, with a BCC (blind copy) sent to some members of the Timber Trails Property Owners Association, reporting on a site visit made to a property at the end of Sunrise Trail, a road in the Timber Trails community that might be a better alternative to the site proposed at Coote Hill.

Attachment 20
